Bike Education Program

Dear Parents and Carers,

Each year the students in Year Three are provided with the opportunity to attend the Bike Education program at the Campbelltown Bike Education Centre. This program provides students with the opportunity to learn the essential skills required for riding a bike safely. It is designed to complement the teaching and learning of bike safety addressed in the classroom.

The visit will take place on **Wednesday 4th March, 2015.**

The cost of attending the program is \$20.00. This includes transport to and from the Bike Education Centre and participation in the program.

Students will leave on the bus just after 9am and will return by 3pm. They will need to bring their lunch and recess (no canteen orders) and they must wear full school uniform, including a hat. Children will be provided with all the appropriate equipment such as bikes and helmets at the Bike Education Centre.

If you would like your child to attend, please return the permission slip below and money by Friday 27th February 2015.

Yours sincerely

Jenny Chatkeo
Assistant Principal
