Team Rhythms

Dear Parent / Caregiver,

It was decided to have a break from Musica Viva this year and delve into some of the other exciting musical opportunities offered to Primary Schools to help enhance their music programs. So, we will be having a performance by Opera Australia, presenting "Cinderella" later in the year.

But first, in term 1 we have secured the unique presentation of "Team Rhythms". Under the leadership of Chris Swallow, Team Rhythms offer an activity based Music Program using African percussion equipment. Their programs focus on exploring the instruments and culture and are suitable for all ages and abilities. They create a fantastic environment for students to explore fun and exciting traditional African rhythms culminating in a performance of the music by the students. Team Rhythms provide good quality drums and African percussion for each child to use. Each class will be given a designated timeslot, so that all students will be given the chance to play on the African drums. Therefore, Team Rhythms will be at school for three consecutive Thursdays in order to cater for all of the WPS classes.

The cost is \$5.00 per student. Please see Mr Smith if you need to discuss a payment plan.
